

Harrison Majestic 5750

The Harrison Majestic 5,750 divan is handcrafted in the UK. Each mattress is filled with sustainable wool viscose blend, natural cotton and a locally sourced wool blend. Providing sumptuous comfort, to ensure you get a restful night's sleep. The Harrison Majestic mattress is also a seasonal turn, meaning during the colder months the warm side helps retain heat, while the summer side helps keep you cool during those hot summer nights! Each mattress is available in soft, medium, and firm tensions. On larger mattresses, dual tensions are available so you and your partner can tailor support to your specific needs.
