

Harrison Grand 20000

The Harrison Grand 20000 is hand made in the UK and has luxurious fillings of Egyptian cotton, natural wool, mohair and hemp. The absorbent Egyptian cotton help to keep the body cooler and fresher by wicking away moisture. Wool is breathable and springy, providing excellent support. The mattress is available in soft, medium and firm tensions, so it can be suited to your comfort needs and sleep position. This reduces the risk of aches and pains. The base features True Edge technology, which reduces the risk of falling out of bed and makes it easier to climb in and out.
