

Hypnos Natural Ortho 7

Part of the Hypnos collection, the Natural Ortho 7 mattress uses fillings of organic cotton bamboo and flax which is then combined with wool. All fibres are 100% natural and sustainable that can be recycled at the end of life. A combination of ReActive pocket springs and eOlus support pads enables airflow which will support you throughout the night. Further comfort is provided by organic cotton bamboo and a flax layer combined with wool to naturally help regulate moisture and manage body temperature. The mattress is safe, fire resistant and its borders are strengthened by two rows of side stitching.
