

Milazzo

Made in the UK by highly skilled craftsmen, the Milazzo fabric sofa collection is a stunning centrepiece suitable for any modern home. Presented with a contemporary retro feel, reminiscent of cool designs inspired by the 60s and 70s. Its frames are a traditional hardwood construction. For added strength they are pinned, screwed and glued. Traditional zig-zag seat springs filled with foam are durable and provide the ultimate support, providing a firm sit. Several sofa sizes are available as well as an accent chair. The range comes in a selection of various colours of velvet which are well suited to a contemporary home.
