

Habufa Avalon

Unmatched Durability: HPL - The Material of Choice The Avalon range by Habufa is crafted primarily from High-Pressure Laminate (HPL). HPL is renowned for its impressive strength, lightweight structure, and acid resistance. What's more, it boasts remarkable colour fastness and is nearly impervious to scratches. This furniture collection combines elegance and enduring quality, thanks to HPL's exceptional properties. **Aesthetic Resilience: A Step Beyond Natural Wood** HPL possesses unique qualities that set it apart from natural wood. Unlike traditional wood, HPL remains unaffected by changes in humidity, maintaining its stability without expansion or contraction. Additionally, it requires minimal maintenance. A simple wipe with a damp cloth keeps it looking pristine. Even in the face of spills or stains, routine cleaning with a damp, clean cloth (no cleaning products needed) restores its beauty. A crucial note: always ensure the surface is dry after cleaning for long-lasting charm.
