

Masters by Phillippe Starck

Kartell Masters Chairs Immerse yourself in the Kartell Masters Chair, a brilliant homage to design legends: Conceived by Starck's creative genius, this sinuous hybrid seamlessly intertwines the unmistakable silhouettes of three iconic chairs, resulting in a unique fusion of styles that's both original and captivating. Eco-conscious Production: Recycled Thermoplastic Technopolymer Kartell's commitment to sustainability is evident in the Masters Chair's recycled material. Derived from pure scrap elements in various sectors like furnishings, automotive, and packaging, it remains uncontaminated by other materials. Elevate your space today: Unveil the Kartell Masters Chair where homage meets innovation, and sustainability intertwines with style. At Lee Longlands explore the collection today and redefine your seating experience with this iconic piece of modern furniture.
