

## AI&045 Artificial Intelligence by Philippe Starck

Move beyond the ordinary, sit at the intersection of innovation and elegance. Sustainability whispers in every line. Crafted from 100% recycled thermoplastic technopolymer, the A.I. Chair is a testament to Kartell's commitment to the planet. The algorithm-guided curves embrace your body in comfort, while the sleek black, orange, white, or dove grey options seamlessly complement any contemporary space. Dine in style, work in comfort. Whether gracing your dining room or anchoring your office, the A.I. Chair infuses your space with personality and innovative spirit. It's a conversation starter, a piece that sparks curiosity and speaks volumes about your discerning taste. Ready to experience the future of seating? Dive into the world of Kartell A.I. at Lee Longlands today.
