

## Space by Adam Tihany

Embrace modern design with the Kartell Space Lamp at Lee Longlands. Inspired by Seattle's Space Needle, this lamp adds a futuristic touch to any space. A Touch of Seattle Skyline: Inspired by the iconic Seattle Space Needle, the Space Lamp boasts a sleek, elongated silhouette that embodies a touch of futuristic charm. Light Up Your World: It features a gentle touch-activated switch on the top of the dome, allowing you to effortlessly control the light. The energy-efficient LED bulb casts a warm and inviting glow, creating a comfortable ambiance in any room. Kartell Quality and Innovation: Choosing the Kartell Space Lamp means choosing a piece crafted with Italian expertise. Made from high-quality materials, it's built to last and withstand the test of time. An Investment in Style: The Space Lamp is more than just a lamp; it's an investment in statement lighting. Visit Lee Longlands today and discover how this futuristic design can transform your space into a haven of modern style and functionality.
