

Tempur Buckingham Divan Bed Base

The Tempur Buckingham Divan Bed Base is a timeless and practical addition to your bedroom. Designed to seamlessly complement your Tempur mattress, this upholstered base provides excellent comfort and support. Crafted with premium timber, the Buckingham Divan is available in a luxurious selection of plush fabrics to suit your décor. For a cohesive look, pair your divan base with one of our stylish flush-fitting headboards, such as the Marlow, Turville, Winslow, or Bledlow. Maximise your bedroom storage with the Buckingham Divan's optional continental drawers. Choose from two large and two small drawers on double and king-size bases, or one large and one small drawer on a single base. The smaller drawers at the foot of the divan ensure you can still position your bedside cabinets close to the bed while maintaining easy access to storage. Select the perfect colour to match your décor from our extensive range of luxurious fabrics. We recommend viewing fabric samples to ensure you make the ideal choice for your bedroom.
